

## MOU Agreement

This agreement is made and executed at Ghaziabad, Uttar Pradesh (Delhi NCR) on 6th November 2024

### by and between

Mr. Pankaj Singh Thakur, CEO, Head Held High Foundation, having its office located at No. 172, 1<sup>st</sup> Floor 9<sup>th</sup> Cross 5<sup>th</sup> Main Road, Indiranagar, Bengaluru, Karnataka (PART ONE)

### and

Prof. (Dr.) Shishir Rastogi, Director, Dr. K. N. Modi Institute of Engineering & Technology, Opposite SBI Main Branch, Modinagar, Uttar Pradesh (PART TWO)

### Objective:

This MoU outlines the partnership between the First Party, Head Held High Foundation (HHH) and Second Party, Dr. K. N. Modi Institute of Engineering & Technology (KNMIET) to implement the **NASSCOM Skilling and Employability Program for Youth**. This collaboration aims to empower the youth of Delhi NCR by providing skill development training in **Data Science & Analytics** to Final Year Students of various technical and professional programs offered by the Institute and **Foundational course (Digital 101 Journey)** to First, Second and Third year students of various technical and professional programs offered by the Institute, which will be helpful in enhancing their employability in emerging sectors.

### Scope of Collaboration:

- Program Implementation and Content Delivery:**
  - HHH will be responsible for designing and delivering training modules aligned with NASSCOM standards, focusing on industry-relevant skills such as digital literacy, communication, problem-solving, and foundational technical skills in Data Science & Analytics.
  - KNMIET will provide suitable facilities, including classrooms, labs, and digital infrastructure, to support the effective delivery of training sessions.
- Resource Sharing:**
  - HHH will supply training materials, digital resources, and expertise to enhance students' learning experiences.
  - KNMIET will facilitate student outreach and mobilization, ensuring that youth from diverse backgrounds are aware of and encouraged to participate in the program.
- Monitoring, Evaluation, and Feedback:**
  - Both parties will jointly monitor progress, assess outcomes, and gather feedback from participants to continuously refine the program, aiming for measurable improvements in students' skills and job-readiness.

Dr. K.N. Modi Institute of Engg. & Tech.  
Modinagar

4. **Community and Industry Engagement:**

- HHH and KNMIET will collaborate on community outreach and awareness-building activities to increase program visibility.
- Both parties will work to connect program graduates with potential employers and industry representatives to maximize employment opportunities.

**Duration:** This MoU is effective for the Academic Session 2024-25 of the Institute, with the option to renew in next Academic Session based on mutual agreement and performance evaluation.
