Brief History

Dr. K.N. Modi Institute of Engineering and Technology, Modinagar (Dr. KNMIET) was established in the year 1995, as per the vision of noted philanthropist industrialist Dr. K. N. Modi. For him responsible corporate citizenship included much more than becoming established business leaders in the chosen area of endeavour.

It involved nurturing of excellence, the creation of a talent base and a resource pool that would broaden the horizon of Indian enterprise and its eminence in world arena by exploring avenues that will enable individuals to fully realize their potential. These budding managers would enrich the national fabric and propagate these ideals for posterity. With this as a guiding force behind Dr. KNMIET.

The mantle of guidance has now moved over to Dr. D. K. Modi and under his visionary leadership, Dr. KNMET has further developed as an institution of excellence for providing Management Education, Training and Development, Research and Consultancy. The primary focus is on preparing the next generation of global managers who would accept the challenges of today and tomorrow in Indian and global scenarios.

A unique feature of Dr. KNMIET philosophy is to orient the interaction with industry executives into an exchange of academia and practicing managers on a real time basis. The 3500+ strong

body of Dr. KNMIET Alumni is making the difference in business and industry, both in India and abroad.

Institute has always been proud of its alumni who are occupying high positions of great responsibilities and distinction in educational and research institutions in India and abroad as well as administrative positions in the industries, defense and civil services. The success of the students of the institute in NET, GATE, ARS, GRE and other examinations such as civil and administrative services etc. speak of the standard and quality of education provided by the university. The research activities in the various departments of the university are supported by grants in the form of research projects sanctioned by UGC, DBT, DST, ICAR, AICTE, UPSTC, CSIR and other funding agencies of the central and state governments.

Duties of the Institute:

To conduct academic programmes for the preparation of under-graduate & post-graduate examinations in various faculties available in the institute, and to undertake activities that are contributory to this object.

Main activities/functions of the Institute include:

Academic activities generate and transmit knowledge through teaching and learning, research and external engagement activities-each of which we consider separately. Academic activities are the principal means through which institute deliver their mission, vision and values. Activities, it is important to recognize interconnected. The more they are purposefully interconnected, the more they mutually reinforce one another. The stronger these interconnections, the more effectively they deliver institutional mission, vision and values.

Institution is focused primarily on teaching and learning activities-offering under-graduate & post-graduate programmes to students in our local community. These programmes are mostly classroom-based and delivered in the traditional way: a single teacher lecturing students.
